OUR STRENGTH:

Legend Solicitor's immigration team specialise in advising businesses on all immigration related issues, ranging from London based, to national and multi-billion pound multinationals.

We have successfully challenged numerous Home Office decisions and have a very high success rate.

HOW WE CAN ADD VALUE TO YOUR ORGANISATION:

Legend Solicitor's immigration team is widely regarded as a collaborative friendly team that delivers innovative solutions and guidance to its clients. We take time to understand our clients' business and employment needs and provide them with clear and concise advice to reflect the commercial needs of their business.

The Legend Solicitor's main focus is to advice and assist UK businesses to recruit appropriately skilled workers from outside the European Economic Areas (EEA) and to ensure that they comply with immigration rules and guidance. We have particular expertise of sponsorship licence applications for Tier 2 visas for businesses to recruit non-EEA skilled workers.

Whether it be advising on Tier 2 general or intra company transfers routes - our business clients value us for our rapid response, high level of personal attention, proactive approach and can do attitude.

IMPORTANT THINGS TO REMEMBER:

The requirements of the Points Based System are rigorously enforced by the UKBA. It is common for applications to be refused due to small technical infringements of the immigration rules or for preferred documents not being provided. It is therefore essential to have the correct guidance at an early stage.
